

## REPSOL MONTESA HONDA

FIM Trial World Championship  
10th round. Grand Prix of Spain.

**Another valuable victory for Toni Bou, placing him just one point away from his third World Championship title.**

***Takahisa Fujinami completes the success of Montesa, which has won its twelfth manufacturer's championship.***

Tona (Barcelona), 06.09.2009. - Toni Bou and Takahisa Fujinami (both riding Montesa Cota 4RT bikes) achieved the first two positions in the tenth and penultimate event of the World Trial Championship, held this Sunday. With this victory, his seventh in the present edition of the championship, Toni Bou is just one point away from becoming champion for third year running. A Championship that will be decided next Sunday in the last scoring event in Isola 2000 (France), in which Takahisa Fujinami will also defend his third position in the general classification.

Montesa has no need to wait until the end of that event to celebrate its new manufacturer's title, which the double victory of Bou and Fujinami (for the third time this season) has mathematically guaranteed. This is the company's twelfth title in its history and the fourth, all consecutive, won by Montesa with the Cota 4RT four-stroke bikes.

Bou and Fujinami obtained the best scores on both laps, finishing the first lap with only three points between them.

Toni Bou: *"It's been a tough race, because of the heat, the dust and the tension, as during most of the first qualifying lap, differences were minimum and any error could have left us off the podium. I finally achieved a very important victory. I'm just one point away from the title, but being so close doesn't mean it's done, there's still one event to go and I'll do the best I can".*

Takahisa Fujinami: *"I'm very satisfied, both for myself and the rest of the team. I had a chance to win for quite a long time in a very difficult event, but Toni once again proved his great strength. The third position in the championship is within my grasp, and I can assure you that I'm not going to let it go".*
